The board shall pay the full cost of such examination. An applicant's failure to comply with the requirement shall render his or her application incomplete.

(b) The report of the evaluation shall be made available to the applicant.

(c) If after receiving the evaluation report the Board determines that the applicant is unable to safely practice, the Board may deny the application.

(2) A provision that requires another party to the dispute to attempt to withdraw a complaint the party has filed with the board.

(b) Failure to provide to the board, as directed, lawfully requested copies of documents within 15 days of receipt of the request or within the time specified in the request, whichever is later, unless the licensee is unable to provide the documents within this time period for good cause, including but not limited to, physical inability to access the records in the time allowed due to illness or travel. This subsection shall not apply to a licensee who does not have access to, and control over, medical records.

(c) Failure to cooperate and participate in any board investigation pending against the licensee. This subsection shall not be construed to deprive a licensee of any privilege guaranteed by the Fifth Amendment to the Constitution of the United States, or any other constitutional or statutory privileges. This subsection shall not be construed to require a licensee to cooperate with a request that would require the licensee to waive any constitutional or statutory privilege or to comply with a request for information or other matters within an unreasonable period of time in light of the time constraints of the licensee’s practice. Any exercise by a licensee of any constitutional or statutory privilege shall not be used against the licensee in a regulatory or disciplinary proceeding against the licensee.

The Board shall disclose details of a consumer complaint if the complaint is substantiated through investigation and/or an Accusation or Statement of Issues is filed. (1) The complaint is deemed without merit.

(2) Board jurisdiction cannot be established.

(3) The complaint is unrelated to professional conduct.

(4) The complaint involves a non-consumer matter.

(5) Disclosure is prohibited by statute or regulation.

(6) Disclosure might endanger or injure the complainant.

(7) Disclosure might compromise the investigation and/or prosecution.

(e) Information to be Provided Regarding Disciplinary Actions – The Board maintains records showing the disciplinary history of all current license holders and will provide to the public, upon request, whether a current license holder has ever been disciplined and, if so, when and for what offense. A copy of documents related to that action including the accusation, proposed decision, stipulation and/or final decision will be provided to the public upon written request.

(b) This section shall not apply to any of the following:

(1) An individual who has been relieved under Section 290.5 of the Penal Code of his or her duty to register as a sex offender, or whose duty to register has otherwise been formally terminated under California law or the law of the jurisdiction that required registration.

(3) Any administrative proceeding that is fully adjudicated prior to the effective date of this regulation.
